

CLEANER/THINNER M501/MOD

SOLVENT BASED CLEANER

KEY FEATURES

- Thinner for polychloroprene adhesives
- Surface cleaner
- Cleaner for application equipment

DESCRIPTION

Bostik cleaner/thinner M501/MOD is a mixture of ketone, aliphatic and aromatic hydrocarbon solvents.

RECOMMENDED USE

Bostik cleaner/thinner M501/MOD may be used for thinning solvent-borne adhesives based on polychloroprene rubber and to a limited extent, nitrile rubber and polyurethane based adhesives (up to 10-15% addition). It may also be used for cleaning brushes and other application equipment used with these adhesive types and as a surface cleaner prior to adhesive application.

The UK Ministry of Defence quality assurance and release document relating to **Bostik cleaner/thinner M501/MOD** is AFS 342J.

IMPORTANT

Before embarking on any work involving **Bostik cleaner/thinner M501/MOD** the safety data sheet should be carefully studied by those carrying out the work. Please take care when opening the inner seal in the can.

METHOD OF USE

APPLICATION

- Moisten rag or cotton wool with **Bostik cleaner/thinner M501/MOD** and wipe the contaminated surface.
- Avoid surface recontamination by frequently changing the rag/cotton wool.
- Allow residual solvent to dry off before carrying out subsequent operations.

BSI STANDARDS

FM 01696
BS EN ISO 9001:2008

TYPICAL CHARACTERISTICS

Physical form	Mobile liquid
Colour	Colourless
Chemical type	Blend of synthetic rubber & resins Mixture of methyl ethyl ketone, toluene and light petroleum spirit
Odour	Predominately hydrocarbon
Flammability	Highly flammable
Relative Density	Approx. 0.80

PACKAGING

For current pack sizes please contact the Customer Service Department.

STORAGE

Store in a dry flameproof area between 5 and 25°C.

SHELF LIFE

At least 2 years closed in original container stored under the above conditions

Disclaimer – please read carefully

This disclaimer is issued by Bostik Limited ("the Company") and applies to the use of any products supplied by the Company ("the Products") displayed on this Technical Data Sheet ("TDS"). Please read this disclaimer carefully before using any of the Products. Using this TDS and/or the Product constitutes your acceptance of this disclaimer. Its contents shall prevail over any directions of use and any disclaimer and/or exclusion or limitation of liability of the Company which may appear on the packaging of the Products..

This disclaimer sets out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to any user of the Products ("Product User") in respect of any use made or resale by the Product User, of any of the Products in this TDS.

This disclaimer does not affect the Company's liability for death or personal injury arising from the Company's negligence in respect of the Products, or its liability for fraud, or fraudulent misrepresentation, or any other liability which cannot be excluded or limited under applicable law.

The Company's total liability however arising and whether caused by tort (including negligence and breach of statutory duty), breach of contract or otherwise, arising in connection with the use made or resale by the Product User of any of the Products in this TDS shall be limited to the price paid for the Product by the Product User.

The Company shall not be liable to the Product User for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims (including

in respect of personal injury insofar as not caused by the Company's negligence) for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the use made or resale by the Product User of any of the Products in this TDS.

The Company shall not be liable to the Product User in relation to any loss for any use which is inappropriate or use which is otherwise than in accordance with the relevant instructions for use of the Products in this TDS or on the Product. Product Users are advised to confirm the suitability of the Products by their own tests.

This TDS covers just one of a large range of products supplied by the Company. Full information on these products and advice on application is freely available from our fully trained staff throughout the country. In addition, specialist technical advice is available from our Technical Services Department. This TDS supersedes all previous TDSs relating to the Products and users of it must ensure that it is the current issue. Destroy all previous TDS, and if in any doubt, contact the Company, quoting the code number on the bottom right hand side of this page.
