

CLEANER 6

SOLVENT BASED ADHESIVES

KEY FEATURES

- Thinner for Nitrile based adhesive
- Cleaner for PVC surfaces
- For use in preparation of halogenated primers

DESCRIPTION

Cleaner 6 is an ester based solvent.

RECOMMENDED USE

Cleaner 6 may be used for the following applications:

- Thinning solvent-borne Nitrile and polyurethane adhesives to provide lower viscosities for meeting special application requirements.
- Cleaning application equipment used with the above adhesive types
- Cleaning PVC surfaces prior to adhesive application.
- The UK Ministry of Defence quality assurance and release document relating to **Cleaner 6** is AFS 342J.
- In the preparation of halogenated primers, such as **Bostik 300 Primer***, for footwear soling material.
- ***IMPORTANT:** Do not use any other solvent in conjunction with this primer, the use of **Bostik Cleaner 6** or equivalent is essential for obtaining the best results.

IMPORTANT

Before embarking on any work involving **Cleaner 6** the safety data sheet should be carefully studied by those carrying out the work.

BSI STANDARDS

FM 01696
BS EN ISO 9001:2008

TYPICAL CHARACTERISTICS

Physical form	Mobile liquid
Colour	Colourless
Chemical type	Ester
Odour	Fruity
Flammability	Highly flammable
Flash Point (closed cup)	In the group -7°C to +4°C
Relative density	Approx. 0.9

METHOD OF USE

Note: A small trial should be carried out to ensure that the surfaces will not be attacked before cleaning commences

- Moisten rag or cotton wool with **Cleaner 6** and wipe the contaminated surface, avoiding surface recontamination by frequently changing the rag/cotton wool.
- Allow residual solvent to dry before carrying out subsequent operations.
- If using for the preparation of halogenated primers, refer to the relevant Information Sheet for application instructions (TDS01279)

PACKAGING

Please refer to Customer Service Department for current pack sizes.

STORAGE

Store in original sealed containers in a dry, well ventilated, flameproof place between 5 – 25°C.

SHELF LIFE

At least 2 years from date of manufacture, under the above conditions of storage.

Disclaimer – please read carefully

This disclaimer is issued by Bostik Limited ("the Company") and applies to the use of any products supplied by the Company ("the Products") displayed on this Technical Data Sheet ("TDS"). Please read this disclaimer carefully before using any of the Products. Using this TDS and/or the Product constitutes your acceptance of this disclaimer. Its contents shall prevail over any directions of use and any disclaimer and/or exclusion or limitation of liability of the Company which may appear on the packaging of the Products..

This disclaimer sets out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to any user of the Products ("Product User") in respect of any use made or resale by the Product User, of any of the Products in this TDS.

This disclaimer does not affect the Company's liability for death or personal injury arising from the Company's negligence in respect of the Products, or its liability for fraud, or fraudulent misrepresentation, or any other liability which cannot be excluded or limited under applicable law.

The Company's total liability however arising and whether caused by tort (including negligence and breach of statutory duty), breach of contract or otherwise, arising in connection with the use made or resale by the Product User of any of the Products in this TDS shall be limited to the price paid for the Product by the Product User.

The Company shall not be liable to the Product User for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims (including

in respect of personal injury insofar as not caused by the Company's negligence) for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the use made or resale by the Product User of any of the Products in this TDS.

The Company shall not be liable to the Product User in relation to any loss for any use which is inappropriate or use which is otherwise than in accordance with the relevant instructions for use of the Products in this TDS or on the Product. Product Users are advised to confirm the suitability of the Products by their own tests.

This TDS covers just one of a large range of products supplied by the Company. Full information on these products and advice on application is freely available from our fully trained staff throughout the country. In addition, specialist technical advice is available from our Technical Services Department. This TDS supersedes all previous TDSs relating to the Products and users of it must ensure that it is the current issue. Destroy all previous TDS, and if in any doubt, contact the Company, quoting the code number on the bottom right hand side of this page.
